

TIPS FOR CHOOSING YOUR V-LOG TOPIC ON CIRCULAR ECONOMY

Suggested topics for your v-log on Circular Economy:

- Reduction/recycling of waste (including reducing food waste);
- Recycling and reusing of material such as paper, plastic, glass, wood, furniture, technological devices, etc;
- Reusing or donating clothes to family members, friends, people in need or second hand shops;
- Reusing of material for creating artistic products;
- Saving water/energy/natural resources;
- Protecting/Maintaining clean environment;

Please see below examples of some actions and initiatives which contribute to Circular Economy:
